

## ICMSA MANAGEMENT COMMITTEE HONORARY MEMBER APPLICATION FORM

This form should be read in conjunction with the Honorary Member Information document.

The Management Committee may appoint individuals as honorary members of the ICMSA Management Committee. An honorary member may be any person who is a current or former professional in the capital markets industry, provided that s/he is approved by the Management Committee (simple majority vote).

An honorary member is a non-voting member of the ICMSA Management Committee who provides expert advice and observes committee proceedings. The position is non-remunerative, and no personal expenses will be paid. An honorary member is appointed in his/her personal capacity and is considered independent from any corporate membership. An honorary member is expected to have relevant experience to support the international capital markets; previous/current personal involvement with ICMSA is desirable. An honorary member may, at the discretion of the Management Committee, be assigned a project, such as organising training sessions or event planning.

A maximum of two honorary members may be appointed to serve during a 12-month period. Each term runs from 1 January to 31 December of the appointment year. All decisions of the Management Committee are final. The Management Committee is under no obligation to provide reasons for declining an application or reapplication.
